RISK ASSESSOR - ELECTRICIAN

Join our Canadian reinsurance company and experience the passion it takes to empower and advance our mutual insurance community!

We currently have two amazing opportunities to join one of Kitchener/Waterloo's top employers as a Risk Assessor within our Loss Control Department. Within this exciting position, you will have the opportunity to join a culture that prides itself on being honest, transparent, delivering on their promises and is committed to doing what is right.

The Role:

Your role will involve working as an electrician as part of a two-person risk assessment team to complete loss control risk assessments of large and complex policyholder properties. The role requires the individual to be a licensed electrician.

As the successful candidate, you will:

- Perform detailed risk assessments of policyholder properties, considering the fire code, building code, electrical code or any other codes or standards that may apply
- Use thermal imaging technology to assess the condition of the electrical and mechanical systems
- Review the site for potential environmental concerns
- Assist in responding to risk management or loss control questions from Farm Mutual managers, underwriters, loss prevention personnel, policyholders or brokers and agents
- Prepare and deliver risk management training to Member Company employees or the public
- Continually keep current of new standards and codes, or new construction methods for farm buildings, commercial buildings, and residential properties

Your Skills and Qualifications:

- Must be a licensed electrician
- Progressive experience performing Risk Management Assessments or Loss Control Assessments of both farm and commercial properties
- Thorough knowledge of agribusiness, farming and commercial operations and their related environmental issues
- Thorough knowledge of farm and commercial construction practices
- Must have a working knowledge of the National Building Code, the Ontario Electrical Code, and the Ontario Fire Code
- Thorough knowledge of Microsoft Office and excellent computer skills are mandatory
- Proven ability to work independently and to organize workload and schedule
- Excellent interpersonal, problem solving, report writing, and analytical skills are mandatory

Farm Mutual Re

Collaborate. Empower. Succeed.

- Knowledge of thermal imaging cameras would be beneficial
- The ability to travel extensively within a predetermined area with overnight trips – 80% travel within the province of Ontario, with occasional out of province travel
- A valid driver's license and access to a vehicle are mandatory
